

# THE 6 LEVERS

## PERSONAL SCORECARD

Rate yourself 1-10 on each lever. Be honest. This is your starting line.

### LEVER 1 AI LEVERAGE

How effectively are you using AI to multiply your output?

Are you using AI daily? Does it save you hours per week? Could you build something with AI that you couldn't without it?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

### LEVER 2 CLUTTER TO CASH FLOW

How much dead weight are you still carrying?

Unused stuff, old subscriptions, things collecting dust. What could you convert to capital this month?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

### LEVER 3 HARD MONEY

How strong is your relationship with real value?

Do you save consistently? Do you understand sound money? Is your wealth in assets that hold value?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

### LEVER 4 HEALTHSPAN

How much are you investing in the body you'll live in?

Sleep, nutrition, movement, stress management. Are you building a body for the long game?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

### LEVER 5 INCOME ENGINES

Do you have systems that earn without your daily presence?

One income source = one point of failure. How many engines are running? How many are on autopilot?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

### LEVER 6 GEO-ARBITRAGE

Are you using location as a lever?

Could you earn the same and spend less somewhere beautiful? Are you location-dependent or location-free?

1	2	3	4	5	6	7	8	9	10	YOUR SCORE
---	---	---	---	---	---	---	---	---	----	------------

**TOTAL SCORE:** \_\_\_\_\_ / 60

- 50-60: You're already dangerous. Time to help others.
- 35-49: Strong foundation. Pick your weakest lever and attack it.
- 20-34: You see the gaps. That's the first step. Now move.
- Under 20: You found this for a reason. Start with one lever. Today.
